**Albert G. Neal**

June 19, 1980..... Pueblo Juneteenth ..... June 19, 2010

Today is our 30th year as an organization. It has been a long struggle with ups and downs but we still managed to hold on. Thanks to all our Puebloans following and all of our business associates who advertise and make donations. This enables us to carry on this celebration. This will also be our 5th year as a 501(c)3 non-profit organization. We have updated our website, [www.PuebloJuneteenth.org](http://www.PuebloJuneteenth.org). Please give us a hit so that you will become aware as to what Juneteenth is doing. If you would like to help out Juneteenth, you can make a donation at PayPal through our website. It will be greatly appreciated. We have so many things going on throughout the year in our city. It is our hope that you mark us on your calendar for the third (3rd) Saturday of June each year and come out and have fun with us. We try each year to bring good guest speakers and musical entertainers. As always, we welcome your suggestions. Because we can only improve and make this and other activities throughout the year better. Many prayers go out to our military who continue to lead the fight for our continued freedom. Peace and continued harmony to all. Let us all continue to lead the fight for non-discrimination. Love thy brother and sister as thy self. Remember that when there are two or three gathered in His name, He will be in the mist. Thank you for coming out today. And have a nice and enjoyable Juneteenth Day.

Albert G. Neal, President
